

GLOBALSCOPE ANNOUNCES RECORD RESULT FOR 2020

28 April 2021

Globalscope, convening for its semi-annual Spring Conference in April 2020 again by video conference, was pleased to announce record transaction totals for both 2020 YE and for the period 4Q20 – 1Q21. Over the course of 2 days, 200+ participants joined to present over 120 projects for collaboration across all sectors.

Jim Keeling, of Corbett Keeling (UK), was able to celebrate his closing tenure as President of the network with a record year. “Notwithstanding the downturn in M&A activity during 2020, the network members completed 124 M&A transactions totaling €3.3 B, a new record for a single year. Additionally for the six month period ending March, 31, 2020 member firms closed 68 transactions valued at over €2 B, another six month record.”

Globalscope is also pleased to announce the installation of John R. Sloan, President/CEO of J. Sloan & Co., to serve as next President of Globalscope. J. Sloan & Co. is a boutique investment bank based in Dallas, TX, USA. Mr. Sloan said, “It is a distinct privilege to follow in the footsteps of our distinguished past presidents, who have all contributed to the success of the network. I am especially looking forward to returning to in-person meetings starting with our 2021 Fall Conference in Munich, Germany hosted by Carlsquare GmbH, this coming October”.

Additionally, Ms. Deniz Kartal, Managing Partner of Orion Capital Partners (Turkey) and Dr. Thomas Vettiger, Managing Partner of IFBC (Switzerland) were appointed as new board members.
